Guideline definitions for Referees

- Applicants for a Church priority place are asked to identify themselves as being: known to the church; or attached to the church; or at the heart of the church. The period in question would normally (we suggest) be the past two years. Applicants new to the area would need to provide evidence from a previous church or churches.
- An applicant 'known to the church' would not be a frequent but probably an occasional worshipper, someone who is perhaps known through a family connection, or one or more of whose family would be involved in some church activity, such as a uniformed or other church organisation.
- An applicant 'attached to the church' would be a regular but not frequent worshipper, by which is meant (for example) one who usually attends a monthly family or church parade service or is regularly involved in a weekday church activity including an element of worship.
- An applicant 'at the heart of the church' would be a regular worshipper. We suggest that this might normally mean one who worships usually twice a month. To accommodate difficult patterns of work and family relationships account should be taken of week-day worship. The worshipper could be the child for whom application is made or one or both parents.
